

Jewish Studies Degree Learning Outcomes:

Students who complete the Jewish studies major should emerge with the following knowledge and skills:

1. Describe Jewish literature, history, and religious belief
2. Identify and interpret major events, figures, and topics in Jewish history and culture.
3. Analyze Jewish cultural sources, including literary texts, films, and music within a broader, cross-cultural context.
4. Formulate and articulate their thoughts and insights clearly and cogently in both oral and written communications.
5. Comprehend and express themselves in the Hebrew language at a basic level of comprehension and proficiency.
6. Analyze and contextualize Jewish literature, history, and thought from the biblical through the modern period.

INTRODUCTORY COURSES

| | DLO 1 | DLO 2 | DLO 3 | DLO 4 | DLO 5 | DLO 6 |
|-----------|-----------|-----------|-----------|-----------|-----------|-----------|
| JS 130 | Introduce | Introduce | Introduce | Introduce | | Introduce |
| REL S 101 | Introduce | Introduce | Introduce | Introduce | | Introduce |
| REL S 101 | | | | | | |
| REL S 103 | | Introduce | | Introduce | | Introduce |
| HEBRW 101 | | | | | Introduce | |
| HEBRW 102 | | | | | Practice | |
